PUBLIC NOTIFICATION OF CONSTRUCTION

Southport Levee Borrow Site Restoration Project West Sacramento Area Flood Control Agency

DeSilva Gates Construction will begin work on the Southport Levee Borrow Site Restoration Project on or about Tuesday, May 26, 2020. This work is being performed under contract with the West Sacramento Area Flood Control Agency.

The initial phase of work will begin on or about May 26, 2020 and is expected to continue through October of 2020. The initial phase of work will consist of importing dirt with on-highway trucks along the route shown on the attached map. Trucks are scheduled to haul from Elk Grove starting at 4:00 AM and continuing until 4:00 PM. No road closures or parking restrictions will occur during this phase of construction.

The final phase of work will consist of slurry sealing Gregory Road. This phase of work is planned for October 2020. During this final phase of work some road closures and parking restrictions may occur. You will be notified two weeks in advance of this final phase of work and how it may temporarily affect your access.

The DeSilva Gates Representative Authorized to make decisions and who has the ability to respond to an emergency on the project at any time is:

- Spencer Boyer, Project Manager sboyer@desilvagates.com (916) 545-4710

All correspondence related to the project should be mailed to:

DeSilva Gates Construction
3855 North Freeway Blvd., Ste. 100
Sacramento, CA 95834
Attn: Spencer Boyer, Project Manager
Phone: (916) 386-9708/ Fax: (916) 383-8426

Respectfully,
DESILVA GATES CONSTRUCTION, LP

SPENCER BOYER
Project Manager
